Introduction

As parents, nothing is more valuable to us than to see our children grow up in the way of the Lord to fulfill God's purpose for them. However, we are the ones to set them on the path they should go, and that's by exposing them to the right material. Hence, the reason we have written this book.

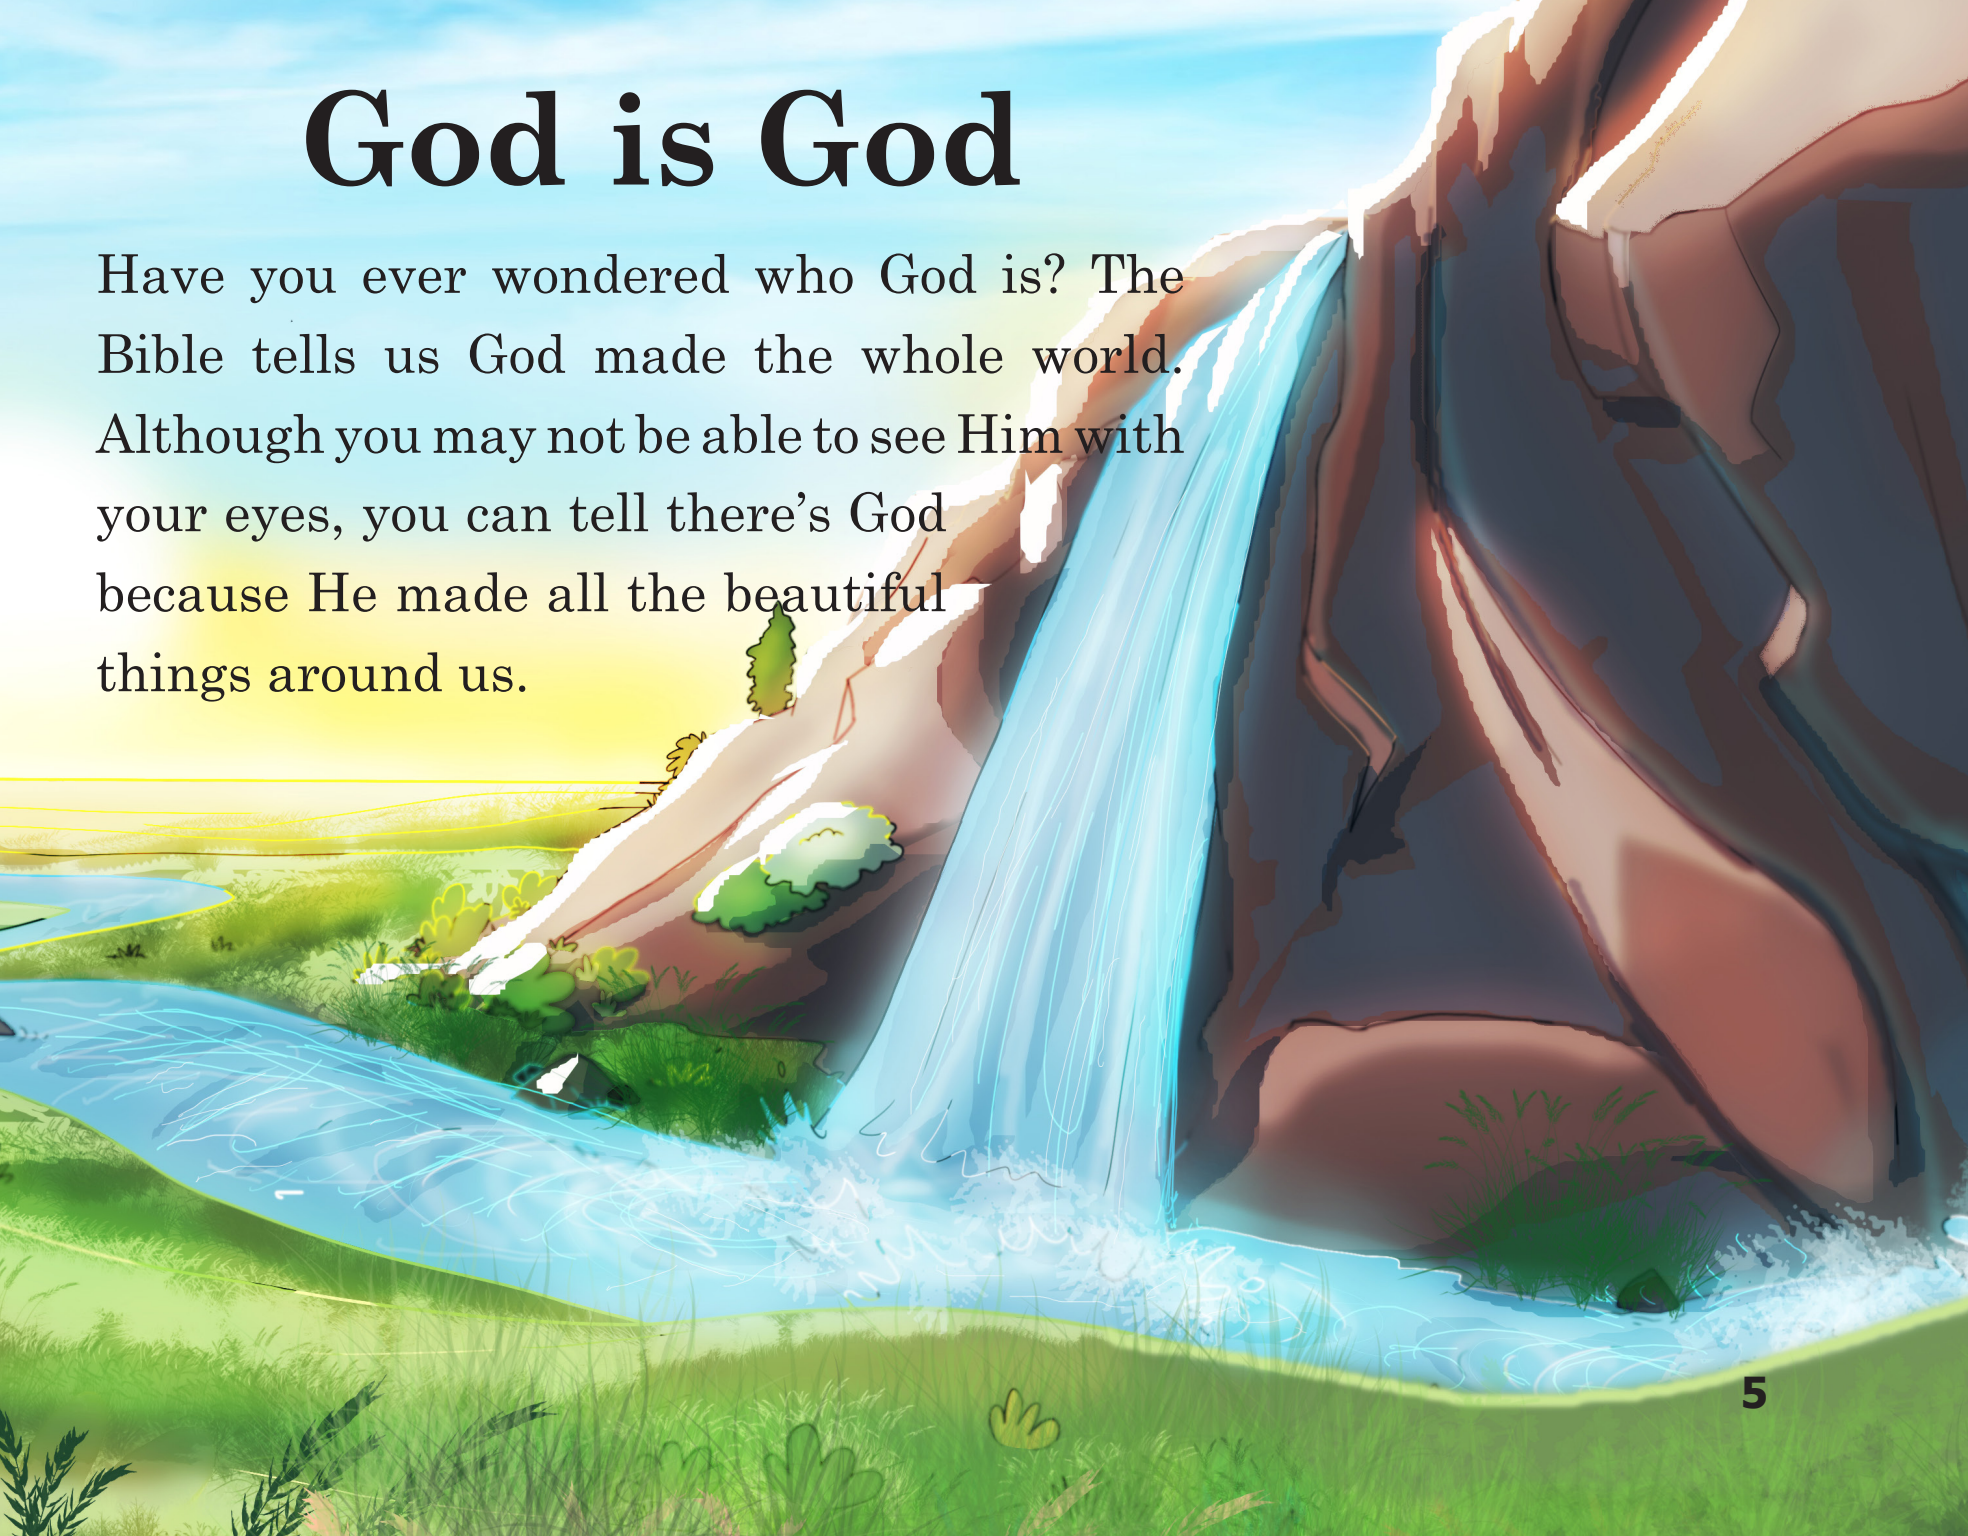

“Tell Me About God” is specifically written to help children understand who God is, and how to relate to Him. To appreciate the teaching in this book, I recommend that you, as a parent, guardian or teacher, should read it to and with your child and help him commit to memory what he has learnt.

Happy reading and God bless you!

God is God

Have you ever wondered who God is? The Bible tells us God made the whole world. Although you may not be able to see Him with your eyes, you can tell there's God because He made all the beautiful things around us.

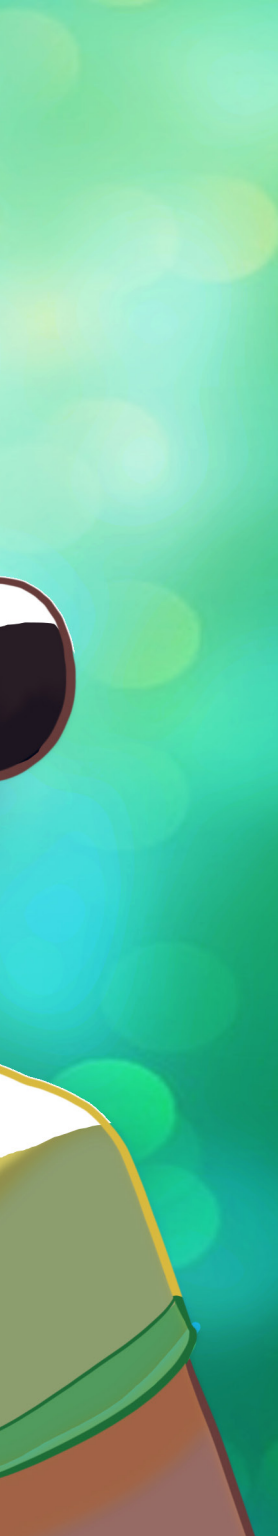

You can't see the wind but you can tell what it does. You can feel the wind when it blows on your face, makes the kites fly in the air and the trees wave their branches back and forth.

You can blow a feather and watch it float as the wind carries it along. This is because the wind is real, even though you may not see it nor touch it.

In the same way, you may not see God, but when you look at all the beautiful things in the world, they couldn't have been by accident. A powerful and loving Being must have made them. God made them all.

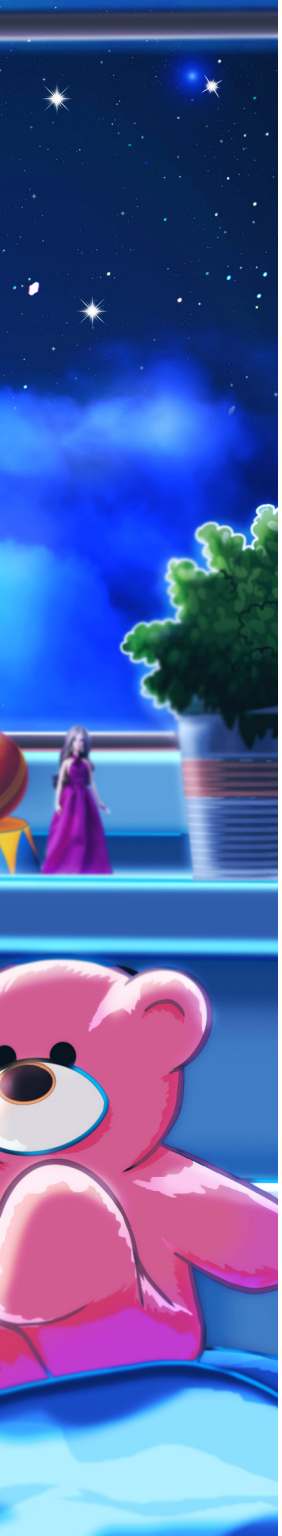

God Made the World Beautiful

God made the sun to shine through the blue sky
and the birds to fly in the air.

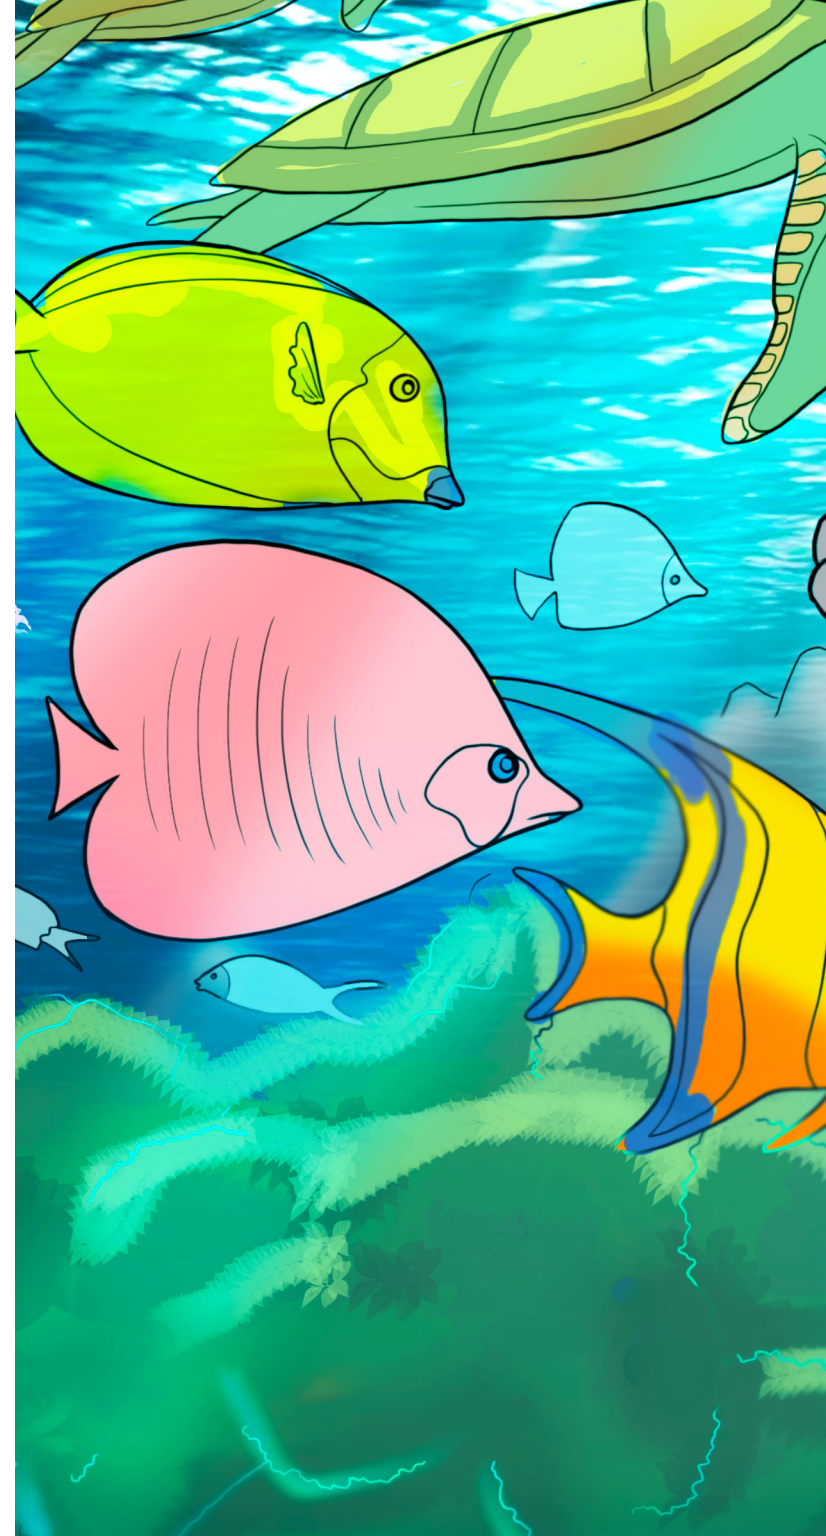

God made the moon and the stars that sparkle at night too.

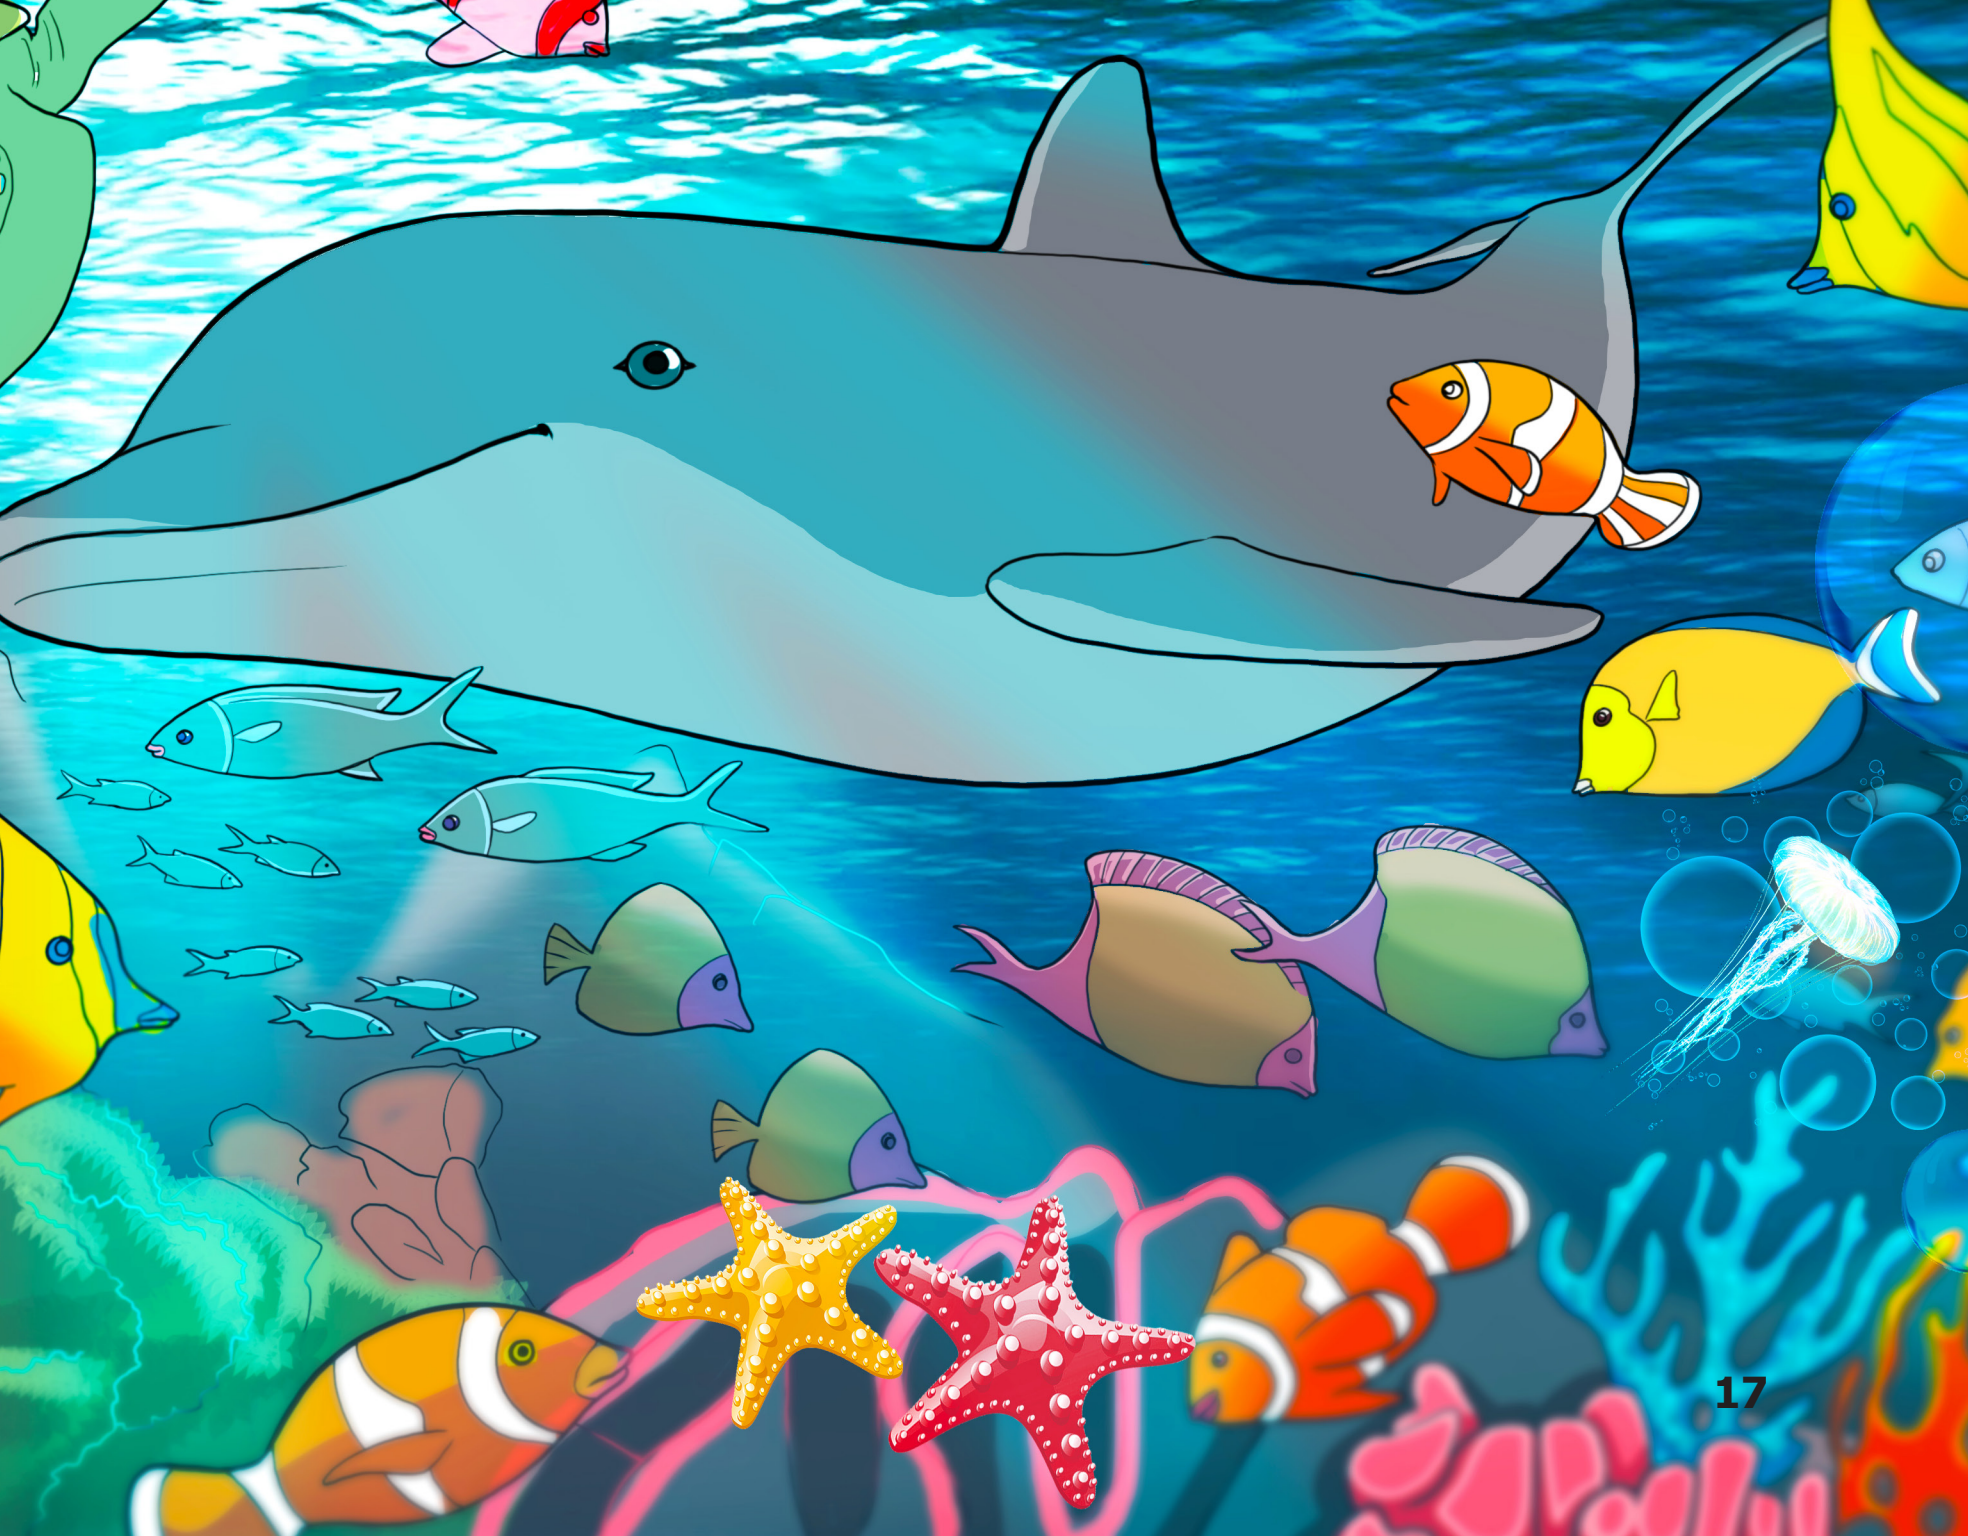

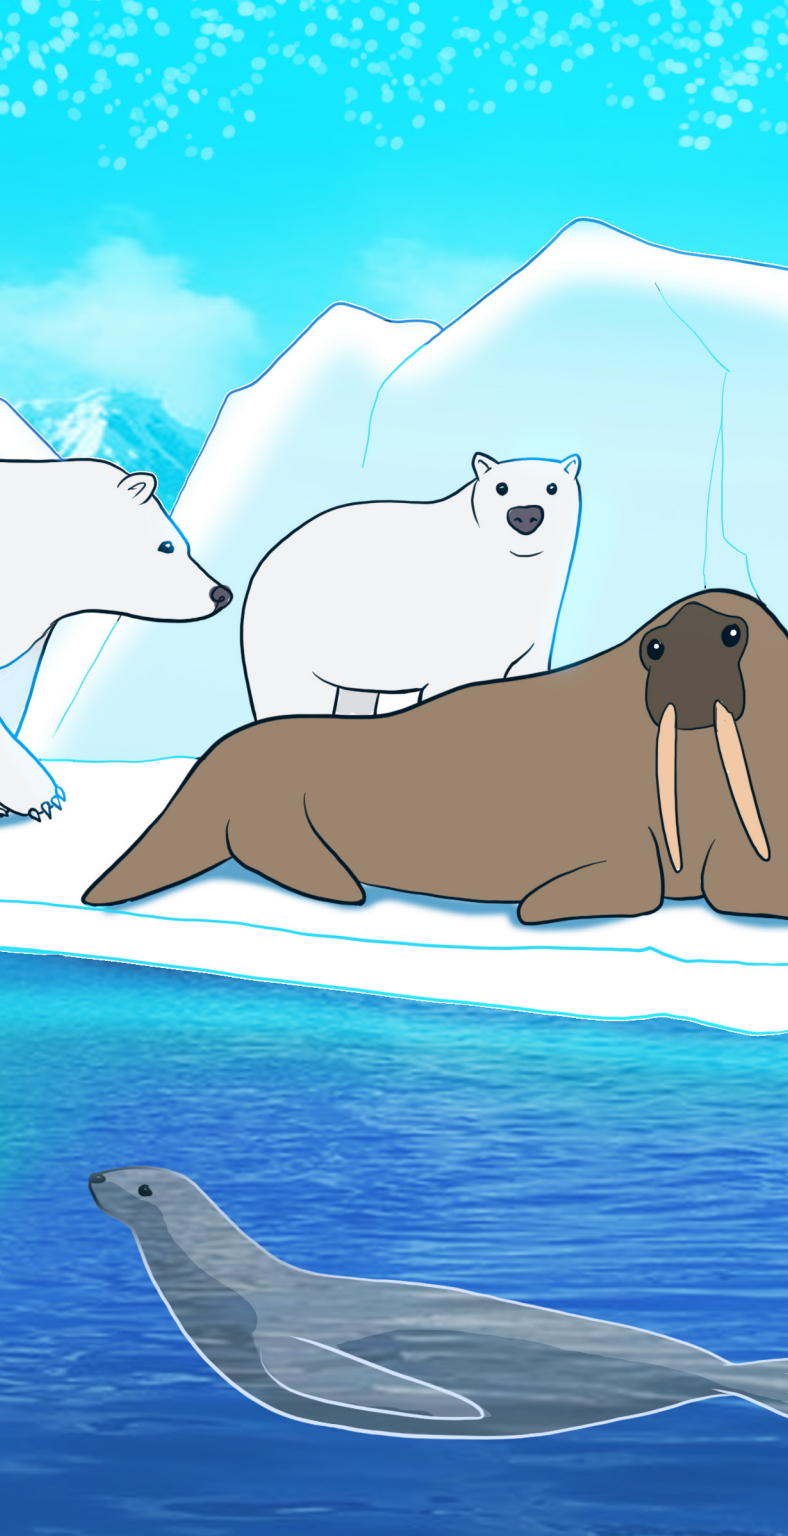

God made the trees to grow in forest and kept the wild animals in it. He made the big elephants and the little ants, the zebras and the antelopes, the monkeys and the pander. He made the giraffe and the birds that fly so high also.

God made the seas and the fishes that swim in it. He made the playful dolphins and the slow turtles; the starfish and the jellyfish, the tangs and the angelfish; He made the crabs and the little prawns also.

God made the snow, and the animals that live in the snow. God made the white polar bear and the reindeer; the big whale and the little penguins that slide through the snow.

God created the gardens so the beautiful butterfly could perch on the flowers. He painted the colourful rainbow in the sky just to let you know the rain is over.

God made everything beautiful. But nothing is as beautiful as you. That's because, God made you special.

God Made You Special

God made you special. God made you to look just like Him. That's what makes you special!

God made your hands and your beautiful fingers. He made your feet and your little toes. God made your eyes, nose, ears, mouth and your pink tongue. God loves the way you look. Your skin may be white or black, brown or red; God loves you anyway. You may look skinny or fat, tall or short; it makes no difference to God. You may have a long face or round face; long hair or short hair; a flat nose or a pointed one; you're beautiful all the same.

God loves the way you smile and the way you laugh. He loves the sound of your voice, and when you go, “Yippee!” on the swing.

God loves everything about you because He knows everything about you, and He knows your name! That’s how special you are to Him. Isn’t that great?

God Loves You Dearly

Mom and dad are great, and they always show you how much they love you.

God's love is greater. His love for you never ends (Jeremiah 31:3). Nothing can stop God from loving you? He proved by doing something special for you. Do you know what that was? Let's find out.

God showed His love for you by sending His Son,
Jesus, to die for you.

*“For God so loved the world that He gave His only
begotten Son, that whoever believes in Him should
not perish but have everlasting life” (John 3:16).*

When Jesus died on the cross, He was buried; but
guess what? He rose from the dead and went up into
heaven!

Right now, you can enjoy God's blessing and love by receiving Jesus as your Lord and Saviour.

Say this prayer now:

Dear Father, I believe with all my heart that Jesus died for me. I believe God raised Him from the dead, and He's alive today. I confess that Jesus is Lord of my life from this day. I have eternal life. I'm born again. Hallelujah!

Now, you're God's child, and have God is now your heavenly Father. You belong to God's happy family!

Congratulations!

God Is Your Father

Now that you've received Jesus as your Lord, God wants you to know how much He loves you.

Jesus told us a story of a young man who left his father to a faraway land, and spent his inheritance. Then, he returned to beg for his father's forgiveness. The father was so overjoyed to have him back that he killed the best calf to celebrate his return (Luke 15:20).

God's love for you is similar to that father's love for his son. God loves you. He says, *"I've never quit loving you and never will. Expect love, love, and more love!"* (Jeremiah 31:3 MSG).

Now, say this:

"God is my Father; He made the whole world and everything in it. He loves me so much, because I'm His kid! Hallelujah!!!"
